

Practice the conversation
before the real patient.

Conversation Mastery

MEDICAL SCHOOLS & RESIDENCY PROGRAMS

Every clinical career starts with one question: what brings you here?
Clinical communication is not improvised. It is practiced.

BETTER CONVERSATIONS. MEASURABLE PROGRESS.

CENTRO STUDI LOGOS · RESEARCH BRIEF

per session

Your school. Your standards. Your real conversations.

Virtual standardized patients · Personalized feedback · Progress you can track

AS MANY PATIENTS AS NEEDED

Let students take histories with virtual standardized patients as often as needed, freeing SPs, sim-center slots, and faculty time.

YOUR RUBRIC, EVERY ENCOUNTER

Rubrics aligned with your curriculum and frameworks such as Calgary-Cambridge. Feedback checks whether the history leads to a diagnosis.

EVERY PATIENT, THEIR LANGUAGE

Practice in 40+ languages with patients who are anxious, angry, or in denial, and who react to what students say.

START WITH YOUR EXAM SCENARIOS

Choose one cohort. Share 10 OSCE stations or real cases. Our team builds the scenarios with your faculty, with no technical setup.

ONLINE, ON SITE, OR IN IMMERSIVE ROOMS · MORE THAN 40 LANGUAGES
