Your academy. Your standards. Your real conversations.

Realistic AI role-play partners · Personalized feedback · Progress you can track

PRACTICE FOR EVERY LEARNER

Learners rehearse with AI characters between sessions, as often as needed, without a second trainer or a dedicated room.

PROGRESS CLIENTS CAN SEE

Feedback on your own rubric shows each learner's progress by course and cohort, so clients see behavior change back at work.

EVERY LEARNER, THEIR LANGUAGE

Your cases and your trainers' know-how become scenarios in 40+ languages, with virtual characters from different cultures.

START WITH YOUR BEST CASE STUDIES

Choose one course. Share its key cases and your evaluation rubric. Let your learners practice, measure progress, and scale what works.
